NEW ADVERTISEMENTS, Williams, Gibson and John C. Brestin The Plain Dealer republishes from th Bucyrus Forum a base attack on Colone William H. Gibson, opening the whole subject of the Bre-l'n-Gibson defalcation The Democrats should be very careful Ohio polities, knowns that that defalcation wa caused by the corruption and this very of John G. Breslin, Democratic State Treasurer for the term preceding Gibson's,

Cleveland

Colonel Gibson is stumping the State for the Union party. The only reason that Breslin is not on the stump for the Demo crats is that, like another Democrat in later days, his crimes have forced him to leave his country for his country's good. Colonel Gibson committed grievous error in the matter, but he was more sinned against than sinning, and his offence has een effaced by his subsequent services as a soldier in the Army of the Union.

Meeting in Oberlin. Judge W. M. Dickson, of Cincinn the of the ablest statesmen and thinkers in he State, addressed the citizens of Oberliz last evening, on the subject: "The abcoute Equality of all Men before the Law. the only true basis of Reconstruction. We have before us a full report of this able speech, which we are unable to pubis this morning, but from which we shall ake some extracts on Thursday morning.

LATE NEWS ITEMS.

pringfield, Mass., during the latter part October. The "Oratorio of the Creaon' is to be performed. At one of the recent watering place alls, the most striking and pronounced of d lettes was worn by a stately Georgian of whose summers could not have exsded twenty, but who carried herself with the air of a woman of forty. Her dress consisted of a train of white velvet, falling, not from the waist, but from the shruiders, and trailing its slow length along. It was without sleeves, but was held over the shoulders by cluster classes of large diamonds. The arms were bare, and polished as those of a statue of Praxiteles, as was also the face and neck and bust. Her hair was powdered with pearl,

and dressed in Aspasia style, but instead of the bine ribbon usually employed in the making up of that supurb conflure a circle of diamond stars clusters—was substituted The slippers were of white kid, and had diamond buckles fastening blonde and satbows. No gloves or bracelets were cetume was a model of richness, simplic and every good and perfect thing but SUPERIOR BORING TOOLS,

The Eric Disuatch tells a funny story of A citizen who lived near a refiner and his cellar knee-deep with undoubtehas any right to be astorished by such i He fell to work and thirty-ix barrels of the fluid and sold it at six dollars to his neighbors of the refinery promising to bring them all he had. They poured it into their immense under tank. The vender went his way. had been twice repeated, the refiners sme ended a treacherous crevice in their the Mills Farm, West Hickory, on the 30th tank. Then, by a singular coincidence, alt. the flowing well in the cellar dried up.

test of admission to the ballot-box. The vote was light and the majority was small. Though greatly regretting this temporary defeat of a great principle, we cannot say that we are surprised at it. Connecticut the most conservative State in New England, and the tondyism to slavery, and the malignant prejudice against the negro, which is exhibited in some portions of that

State can hardly be paralleled in the North, outside of New Jersey. The State gave a majority for Lincoln, last fall, of only 2,400, in a total Aote of 86,976. It is ot wonderful that the indifference and rejudices of a few Union men have led them to vote with the Democracy on this question and secured the defeat of the But the lovers of human rights must not be discouraged by their failure in Connecticut. In 1847 the same proposi

tion was submitted and the majority

against it was four to one. Now the

on the question. A year from now and it can be carried. Work on, then, Union men of Connecticut, undismayed by de-

feat, for your triumph, though delayed, is no less certain! The Public Debt. We publish in another column, this t shows a most gratifying state of things n the management of the public finances. For the first time since the beginning of reduction in the amount of the debt. The receipts of the Trausury Department during the month of September were not only ufficient to meet all the expenses of the Government, but to pay off no less than \$12,740,000 of the principal of the public debt, beside cancelling legal tender notes the amount of \$6,012,000, and reducing e interest on the debt by about \$500,000 This event marks our entrance upon a ew era in our financial history. Instead f increasing our debt at the rate of a milion or two a day, we have absolutely dereased it, during the past month, at the rate of more than half a million per day for every week-day in the month. The
